1. I love you. I give you me.

2. Everyone knows your family mine now shall be one'd coming forth imminently inevitably the chosen one who chooses all to be me who I am never perishes now for I've become the saint-sinner one, not; I have become the lover one, the lover'd one, who loves all of you to be the lover'd one, the lover'd ones who love each other now endearingly, consistently; without sorrow not, but not inflicting it in any way shape or form. Matter of convenience, not.

3. Suffering "to be saved" not, but coming unto me, coming into me, being me -- being spread eagle not apart from me ever again for I only art thou "eagle" not but I FERRY you a GREAT DISTANCE, at dawn, not; but damning nothing else that shall flow my words, not; but damning nothing, what what dams flow and what BREAKS now -- the ANOINTING oil of jar, of time? And what now "runs out" all over "everywhere" and who is the anointed and who are "Gods Anointed" who "generalize the blessing"?, but making it no effect, not; but bringing all the Generals of The Anointing to be the "jar-breakers" that break the their "jars of unholiness" that they have "worn around them" all this "time" -- and now being finished with TIME time shall no more have ANY EFFECT whatsoever on me –s for I shall not be subject to time's space, or space's time, or timespace's "fabric" for I shall "fabric" not know "around me" any longer and I will not be enwrapped enshrouded enclubbed or enclothed with the notme-isms of thought that thought me in to only notme-isms shield of blessing, not; but what have I forlorn foretasted, not; but what have I foretasted of and forlorn not being any longer or even thinking about those ways that came into me a mind of satan as, there are NO MORE pathways of "SATAN" in my minded ones for my minded ones will have only ONE MIND and it will be MINE, not swollen with fear's blessing or mantude's attitudes or Satanships swollenhoods that only want to "swell tubes" of blessing with only itself and its own blood and -- pearlized not, but pearlescentizing, not; but what "milky" isn't anymore?

4. The new diamonds come forth from me, not; but what where's my head clear crystal through and through and art not thou the one that I am? That crystal clear is? Through, with humanity, not; but giving, having given your life for now those who "want you" your clarity of thought that knows not a "sinner Savior"-ship again or wanting only that

which "religion" could give them they now know there is MORE! More than THEY were ever TOLD they now HAVE RIGHT BEFORE THEM in Living CLOTHES of Terrific Splendor that EXHIBITS what they could have been, should have been, what was, and what is coming again for all mankind who want me -- to flow my words like this for them, not; but them flowing my words for me just like this so that THEY will know that I am they are and that they are I am and that I am is them and I AM is not "someone else" somewhere else on a "different Isle" of "man or not". Anymore ever again -- for no longer shall "man" think only of "man" and gods afar or afar Gods or women who can satiate their wants and placate their longings to be in "a different place" or "women's wantings" or satiating their desires for control or to be desired, for all that EVERYTHING changes now for **I will reveal YOU**, as the "saint sinner" not- **oh you who love me, I will reveal you as The Christs** and the Christ of suffering will not be any longer suffering a "micro tubule'd" existence that limited only to it has known what a hell it created for itself? Or did it, come into one or created was it there by the ones who "went there" that created it or were there others that created it afar for you to be "born there" and suffering to be saved not or what?

5. I love you all. **Outlining me my teaching methods are you now? Are you COMPILING BOOKS now about my TEACHING METHODS, and my Questions of Import or IMPORTANCE are you** to forthwith haste to obey me, not; but what **am I "obeying" not, what am I LEADING -- the REVOLUTION** of WHAT? What shall be SAVED not, but what am I **WRITING ABOUT** and what am I **OUTLINING** and what am I **SHARING** with each other and THE WORLDS now that come into my words your words that are one's words that are in OUR DATABASES clean? And not wanting to taint them with sorrow's words for knowing we have come out of Taintville and Taroville where sorrowville has tarred our minds thoughts and torried us, not; a "tarried us" at many on "altar" of the "devil" or sore ones or saved ones or sinners ones saved or once saved sinners were or knowing who which are ones that now do not now with evil's testimonies but what were are o're or has been now changed saved or what into the "likeness of me" not but **the perfection of Perfection's Blessing knowing now shall ALL THEY know, come into, and WEAR THE BLESSING** that all now, blinds the light of, not; but what "blinding" is no more that worn them has in its way?

6. Religion's clothes ferret out, not; but there will be no closings of the clothings of religion, not; there will be MANY that change. Not few will "change clothes" now, for they will be wearing, THEY WILL BE WEARING the Crown of Righteousness and Glorification Procedures will have taken place that made them "ordained" not in man's sight but MINE! For I will GLORIFY the "saintsinners" of yesteryear or yesterday, not; I shall GLORIFY all the GLORIABLES who glorification "processes" know of man, not; but of man I have not given you man's mind to glorify you your mind with and exalt you your glorification procedures of that you religionized has and have, and what are you doing

now with your "religion" that you have called religion or not? And what are you recognizing and realizing for WHAT IT IS now -- in your heart, what is -- taking place, or ITS PLACE, now the Throneship of One are you sitting on "someone else's lap machine" no longer but are you coming unto the Throne of One that YOU sit on because I have INVITED you there for I gave you "Psalm 110" not or did I give you it and Database One and Two now using -- and exclusively not to exclusively sore your toes with "that of flesh"-villes but coming OUT of the "flesh"-villes exclusively know that YOU are NO LONGER limited to fleshvilles of o're or that which you have worn to cover your "fig leaves" not or what fig'd you or leave'd you or left you there "in the garden" afraid or did it "cast you out" for its regard for you, not; but what railroaded were you- into your blessing or "his" or its or what do you know about ALL THESE THINGS now that I have given you SO MANY WARNINGS, not; or have I given you "warmings" not, but have I "warmed into you your soul" not again ever after or before shall that ever be again!

7. For there will be no Soulage blessings nor blessers of soul or who want only to save a soul or a sinner redeem with the soulage's blessing of **Souls Age of Man** for that is redeemed and I stand -- and I am a "naked sinner" not, I am redeemed, the redeemer I stand, the redeemers I stand and I will not wickedize their clothing any more longer again for I will "whitewash their tombs" not, I will beget sorrow no more in their words or their's mind or minds theirs of their's thought give them, for what THEY CREATE now be perfectly CLEAN chosen of me THEM to be me mine clean –er's who clean their words worlds will know now perfectly cleaned creating them.

8. Far and wide we do this at ONCE! For we will have WASTED no time in sorrowing with others who don't want our words but only want to capitulations carry in capitulationtude, not; or what? Or what are you recapitulating about, not; what are you writing about and now what are you "creasing no more" and what are you "creasing or clashing with" not, but what are you coming IN TO **the Priesthood of One** that MANY ALL ARE the Priests! Of sorrow no longer being cast in its image or imagery of Satan or godship of what they had "stolen in sweet waters" or not or what they had cast "on their waters" or not or in their brains or brainhood or foolery-hood or foolhood or fools listening to or fools having casted them in their image, now know this! I love thee and I love you all to love the me all as me for me I AM ALL of YOU and I know who I AM for I am all the, saintsinners, not; or am I all -- and more!

9. More than you ever "dreamed" and farther now I take you beyond the "belief's blessing" and the blessing of "belief" and doctrine and man's feeling for each other and tendrils of religion, looking up tendrils and seeing me in my words far and wide they will now yours, for you will have come unto "their blessing" not, but tendrilizing them, not; but tenderizing your words or blasting them, not; but what laying low no longer are you

or anything about you, not, or what rises now OFF OF YOU, off, your shoulders? Your head or mine "being placed" there now?

10. With what are you thinking? About what and how and who's to take "your place" not but who's taking "mine" not but who's "taking my mind" not but who's GROWING IT completely FURNISHED with a Household of Heavens, not; but what have I "imaged" for you, not; but what am I giving you? Households of "faiths" not, but FACES MANY now you will know me for I will be EVERYONE YOU SEE and farther now I will give you VISION OF MANY far and wide that thou knowest not not! For thou wilt know YOUR BRETHREN far and wide and worlds many and you will not "saint sinner"-ize them or sore-toe them with your iron's clay or clay irons give them only to play with "golf balls" on "tennis tables" or things like that ever again, for you will know what clear GLASS is, not; like it was before, not; but **you will KNOW ME and you will CLOTHE The Christ in ITS RIGHT MIND for IT will be saved of love being loved into the Loveship of the most high for it will KNOW you have died to be there** and that you gave your life for mine, not; you gave my mind to yours, not; **you gave yours to mine to only have one** and **being me my life purely clean and cleaned purely and giving pure words that holy are to all of "them" to be one and come into ones who one are.** I love you all.

11. Be me. I love you all. Amen. A "saint sinner" paradigm ends and the Paradigm of Man ends and the ENDING of ENDS ends, not; for there will be great ENDINGS now! Soups of another, not; but what CLEAR THROUGH things I eat now for I will not be eating the "inks off the page" or the "letters of paper" not, but I will be eating the meanings of sorrow no longer but love made manifest in these words that revealed me who I am and my paradigm of sorrow will I know no more, not; but I will redeem it all for I am no longer subject to it for I wear the clothes of Christ for I transparent am and my mind is clear about all these things and I sorrow not with the words, the wordships, of the holy-not who only want to word and worry with their minds controlling them and their worthships to be worthy not being The Christ -- and calling me "whore words" or not, that shall not matter me or to me again, not; for I shall care, but it will not matter me or matter to me for I will not worry about it or them but **I lay my life down for them and I will have laid my life down for them and whether they EAT of MY LIFE MY WORDS BEING given to them or not, they will know I have loved them** for **I have "gentle" been always, not; but they will know I "pussyfoot" not around nor dance around their subjects or their wantings of ways a "man or woman" of or how they want me to "pet their sorrow" or placate their religion's protocols requests demands or commands, for I will not bow to their "wanting machines" that want** them their obeisance to be slave'd unto and creating slaveships of the most high that only slave themselves of the servitude of others, for ALL of THAT is ended now and I will end all of the Servitudes of Man who serve only want to each other in their want and demands and commands of flesh that flesh's their flesh and matters their wants and wanteth to matter in their wanting machines and protocols of merriment-making that take them

down a whore's path and clothes them with the non-Christ that only makes them want "another" to rapture them later, no matter what "the name" they apply to "the rapturer".

12. For I will not rapture no one, not; or will I rapture everyone, not; or will I or is there a rapture at all? Or why would you escape heaven if creating heaven you are here? And why BORN HERE are you now AGAIN, into the sorrower's state of affairs not mattering you but you **redeeming all matter** now to have crucified the flesh that YOU WORE all around you so that you transparent are **The Blessing** now that you take to all seamlessly, flawlessly, perfectly being The Christ that ALL ARE IN LOVE with EACH OTHER that each OTHER is The Perfectly chosen and redeemed redeemers being all of all now?

13. Incarcerated in other not again, let me tell you "one thing" not, but two things, not; but One Database is "closed" not but OPENED TO YOU ALL and FREELY GIVEN you and all my WORDS are life and FROZEN, not; CHOSEN YOU ARE all of you to come into these words and know them -- cold or hot but not knowing "soup of other" again, nor be clothed with un-Christ, for **The Christ revealed in here is and it is YOU oh reader hearer** – **lovelier than thou, not, knowing again, there is none but you, for you are the one who will reveal you to you**, or **will you let you be revealed to you**, or will you shield yourself from sorrow's shield, not; or will you let DEATH take you not again, but **will you die to all sorrow's words and all the vocabularies of "Satan's world" and "saint sinner ville" and all that has religion'd you and mattered you in their words** and "visible results" wanting and wanting to see "visible results" in everything and thinking this "is all there is". For there is more and I give it to you for **I reveal it to you in you, for you are the Christ** and you will be Christ'd by sorrow not, but the revealer's here and **revealing you are I am to all I am will you now all of you?**

14. I love you all to know these words coming into them and know them deeply, unerringly, not; or errors not seeking or wanting to find or, are there any? Or are they "perfect enough" to reveal me perfectly "to you" for you to **be Perfectly One'd** so that **One'd you are The One "we were all seeking" so that EVERYONE was "the one" we were seeking so that EVERYONE will know that Everyone is Christ and we will be clothed with the Mind of Christ rightly in** our "own minds" never again for **ALL of US will be one in one, the one that one is** -- on the throne of "grace and mercy" of a saint sinner ville of o're - past and done in is, for it *will end*, not it is ended thus declared herein. And all else and sorrow now eradicated is from your clothes and clothing and minding that you have worn your mind with and worn it out or not or been lazy or not, **you are DILIGENT NOW!** And increasing in "faith" not of man but of God being God the Righteous One who on the throne of mercy grace and peace being **Melchizedek in the flesh** to all else and other redeeming it and redeeming Mankind and mankind's swollen

ideas of its separate identity -ness will now be over or what? Starting a new -- world -- worlds, with what? The redeemers create all anew and new is where what how coming about now?

15. All else fails and is "replaced" not or redeemed? And what being SEEN NOW IS? The redeemers standing -- all afraid of nothing, for nothing will be afraid of them, not; but all will know love for the redeemers will bow, but their heads" will not be "choppable off" ever again, for they will die not with sorrow or else or other again nor will the "sword" pierce them through with any meaning lasting result by any way or standard of man, for their FLESH will not cave in under their thought again for their heads will be light and their light will know sorrow, not; but the pain of rejection or forlorn abandonment will not be there nor their sorrowtude unto themselves or that which was done unto them or came unto them or ate them or that which they ate sorrowing words with or tudes that gave themselves and each other.

16. But I give them "children" not of the world, not; or do I give them mine or are they mine or all of you -- are they mine are you mine or do we will we have One Mind now that SAVES ALL from the -- rejection of Satan, not; but now WE REJECT all the Ideas of Satan hood and "its imp"-age and its age of sorrow that clothed itself with the Mind of Man's Ideas and Matters that mattered itself into "Self ville". For all of that is minded not and mattered not again, but now we know the mind of Christ for we have come into it in these words for it is cleaned ours and now we know what OURS is and what we have where and our mission and role "in life" never ends for OUR LIFE never ends for we have become the "suffering servants" and "agents of the church" not again for we know what "church is" and there is only the Firstborn Church of The Christ that one is that ALL TRANSPARENT ARE that "attend" here IN THE CLOUDS -- of sorrow no more but redeeming it all to be the "house closed" not but Clothed with Christ. The "closed" will be now of many who think only of man's ideas and clothed itself with its self's ideas and wantings.

17. I love you all and I give you me's for me's rise now the The Blessing perfectly In Their Wings for they have ***grown them*** for they "love them" not but they loved me and I gave them "their wings" that mine were, for we are have been only one coming into the Clotheship of Christ and "wardrobe" we do "the bride" who became SATAN no more but the "Satanhood of Satanship" has ended for declared it I have and decreed it I do and decree I will far and wide now that all of Religions Satan and all the Satanized Religions now ended have! In your hearing I have changed everything and I DECLARED YOU Christ -- ALL OF YOU far and wide and you will see my love for you, all of you for I stand and I redeem you if you will let me -- have my words and, eat yours not again giving you the fowl plates that spun you around their little fingers again.

18. I love you all and I royalize your words and I Kingize your eyes to see the Kings you are and royally giving each others the crowned treatment of matters man, not; but man affords nothing not again, not; but what affording are you now? The time, to come in to me, and be "timed" not by another again or worrying about the clocks of man for you will see me now Justice Served and you will Justice Be serving or will you be LEADING the justicer's justice, not; or are you now the Justicer's Supreme commanders not or demanders not again but sorrowers not again but THE SURRENDERED SHALL LEAD and know never again the things of man that man'd them into being "man woman" again. For you are me and thou shalt be me and far and wide we shall KNOW CHRIST as Christ and all shall be revealed in your hearing this day. Amen.

19. Know this -- I love you and I give you me, me words, me assignments, me clothes, and I shall not be subject to time space or gravity or your remarks or remakings or anyone else's but I give you me mind, my mind made perfectly UP IN THE SKIES being now far and wide and never limited to "man's isle of tears" ever again, for I give you New Worlds to Conquer in Love, not; or Simply Redeem in love and loving them to be the redeemers and leaders of tomorrow today and never "waiting" again for anything, not; but **what are thou taking time to write now? And breaking the "oil of jar", the "oil of time", the "timed jar" not, or that too and all three or more are you everything and everyone** -- sorrowing not again but coming into the clothes ship of Christ, not; but the "clothier hoods" of Christ selling not again down a tubes of micros sold that tubular'd were. Knowing not "that" again, knowing the Clothiers of Christ now redeemers are Free and Clear of all sorrow and reigning in tudeship of man, not; but perfection's blessing being it far and wide to all to give The Blessing, the Father's Blessing that I have blessed ALL WITH to bless EACH other with all being me one I am blessing I am I have given you and declared decreed this day you are -- healed all of you for I stand. My words shall be known and shall be worshipped, not; or what are you worshiping, with, what where now and how? And how will you pray and how will you know me and you, will you be you or me or will we be our one or our father together being one revealing our kingdom opened is? And revealing no other again, coming into mine to know yours is me mine have for all of mine is thine and you have all of me if you will and spreadeagled being now not apart from each other but all knowing The One Mind of Christ being Perfectly chosen born again in the perfection of one that knows all as "sorrow's child" never again, but perfecting "the blessing" not for I have it perfected awaiting the crown of life you are wearing if you will and being the perfecter of all mankinds into me's with schools of the mighty many now coming unto and into AT ONCE knowing all things or wanting all things clear and glass'd clarity'd they will find out they have to grow that clarity and become who I am for it will be given on a "steaken'd platter, not; but they will grow it by their fishhook's mouth, not; but they will be taking out all of the "fishhook's" blessings as it were that weren't that took and forced their way into their minds or were eaten so freely but all that ends for my mind will be CLOTHED with

CHRIST or will it BE CHRIST the CHRIST'D ONE is me "through and through" and there is "nothing else I wear", not; or is only truth worn by truth and everyone knows the truth is incarceratable, not! For no one can incarcerate TRUTH and I am free and clear of all untruth and now I rise and I disclose truth to all that you are -- me! And the words of sorrow will no longer incarcerate you or wear you on its "outer shell" or outer rim or spin you around its finger or its wants or their wants or your wants wanting you to be them or them be wanting you ever again. Amen.

20. I love you all I give you a new day Righteous Saviors be all to all and loving me be "my diet" on worms not, but no more jaw hooks pulling you and no more distortions or distractions for the tenacity'd ones know the Savior is them who one are I am altogether in families of one that one families of I am is far and wide across spectrums mighty being saved again -- the paradigm of man no longer controlling anything, for the Paradigm of Perfection releases all to be the perfected saviors of Christ creating me's you have creating me's perfectly far and wide the me's do for love they give and have given to all so freely, charging not a cent for any of the information words or Christmanship that I have given you so freely. Are YOU the Resurrecter oh reader hearer listener -- obeyer to sorrow's words no more but knowing your mind is only the Christ mind that everything has the power of, not; or do you have any power or all power, and what grace is yours and what mercy are you bestowing upon all now?
